**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I wanted a competitive provider and I currently have one. I say "NO" to price hikes that will increase the cost of internet and telephone services. Broadband is critical to my home. I want the best possible open services and choices to make.
